

## **Membership Fee Regulations**

### **Hydrogen Power Storage & Solutions e. V.**

- (1) The association shall collect from their members a membership fee in accordance with § 6 of the Statutes of the Association.
- (2) The membership fee shall be a scaled amount based on the amount of the annual turnover of the members (in accordance with their latest approved annual turnover).

The annual membership fee shall be scaled as follows:

Turnover < EUR 10 million = annual fee: EUR 1,950.00

Turnover ≥ EUR 10 million = annual fee: EUR 4,950.00

- (3) The annual fee for universities, research institutions, associations and chambers, network and cluster organisations as well as regional authorities shall amount to EUR 950.00.
- (4) The board shall be permitted to decide on forbearances, reductions, remissions and instalment payments of membership fees in justified exceptional cases.
- (5) The association shall charge the additional statutory turnover tax (currently 19%) on the membership fee. The members shall pay the determined annual membership fees annually in advance by 31 March of each calendar year by bank transfer to the account indicated by the association for this purpose.
- (6) The application of these membership fees shall commence in 2025.
